**LCB File No. R095-17**

**Effective February 27, 2018**

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1 and 10, NRS 679B.130; §§2-5, NRS 616B.300 and 679B.130; §§6-8, NRS 616B.353, 616B.446 and 679B.130; §9, NRS 616B.404, 616B.446 and 679B.130.

A REGULATION relating to industrial insurance; revising requirements concerning information and security deposits that must be submitted to the Commissioner of Insurance by self-insured employers and associations of self-insured employers; repealing the adoption by reference of certain publications and certain reporting requirements of self-insured employers and associations of self-insured employers; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law provides for the certification and regulation of self-insured employers for the purposes of industrial insurance. (NRS 616B.300-616B.336) Under existing law, to qualify and remain qualified as a self-insured employer an employer is required to deposit with the Commissioner of Insurance a bond or certain other security in lieu of a bond. Additionally, the Commissioner must require the self-insured employer to submit evidence of excess insurance to provide protection against catastrophic loss. (NRS 616B.300) **Sections 2 and 3** of this regulation revise the definition of the term “annual claims expenditures” and interpret the term “expected annual incurred cost of claims,” respectively, as used in existing law for the purpose of determining the security deposit required to be made by a self-insured employer. **Section 5** of this regulation revises certain requirements governing such security deposits. **Section 4** of this regulation sets forth requirements concerning evidence of excess insurance coverage that an employer must provide to the Commissioner to be eligible to establish a program of self-insurance.

Existing law provides for the formation, certification and regulation of associations of self-insured employers for the purposes of industrial insurance. (NRS 616B.350-616B.446) Under existing law, to qualify and remain qualified as an association of self-insured employers, a

group of five or more employers is required to deposit with the Commissioner a bond or certain other security in lieu of a bond. (NRS 616B.350, 616B.353) **Sections 6 and 7** of this regulation revise the definitions of the terms “annual claims expenditures” and “expected annual incurred cost of claims,” respectively, for the purpose of determining the security deposit required to be made by an association of self-insured employers. **Section 8** of this regulation revises certain requirements governing such security deposits.

An association of self-insured employers is required to file an audited statement of financial condition with the Commissioner, and the Commissioner is authorized to adopt a uniform financial reporting system to ensure the accuracy and completeness of those filings. (NRS 616B.404) The Commissioner has, in existing regulations, adopted by reference the *Property/Casualty Insurance Annual Statement Blanks* and the *Annual Statement Instructions for Property/Casualty Manual* of the National Association of Insurance Commissioners. (NAC 616B.606) **Section 9** of this regulation eliminates the requirement that an association of self-insured employers submit certain exhibits and schedules from those publications with the audited statements. **Section 10** of this regulation repeals the adoption by reference of those publications.

**Section 10** also repeals certain obsolete provisions and certain reporting requirements of self-insured employers and associations of self-insured employers.

**Section 1.** NAC 616B.403 is hereby amended to read as follows:
